

# Workplace Collaboration

Build more effective relationships

You may not be aware of this, but your behaviours are organized into predictable patterns. The way you respond in your environment, how you reach to people, your view of the world, and the energy you bring to work each day usually follows certain patterns. This 1-day workshop, *Workplace Collaboration* provides participants with valuable insights that will help them better understand themselves AND others, all while offering actionable ways to strengthen their relationships in the workplace. Participants are provided with skill-building and practice opportunities to learn how to effectively communicate with those they work and interact with. This practical, hands-on workshop develops useful skills that can be readily transferred to everyone's role

*Using a research-validated learning model, the Everything DiSC Workplace® Profile offers personalized insights for participants, helping them discover how to better connect and effectively work with each other. This program is perfect for people at any level in an organization.*
